

2016 MMMM Combinatorics Graduate Student Workshop

30 April - 1 May, 2016
University of Manitoba

The second annual *Mostly Manitoba, Michigan and Minnesota (MMMM) Combinatorics Graduate Student Workshop* is a two-day workshop with talks given by graduate students and invited experts. Topics for this workshop include graph theory, finite geometries, designs and extremal combinatorics.

INVITED SPEAKERS:

Robert Craigen (University of Manitoba)
Dalibor Froncek (University of Minnesota Duluth)
Bill Kocay (University of Manitoba)
Donald Kreher (Michigan Technological University)

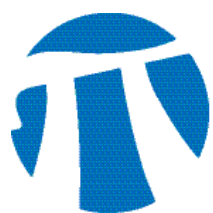

ORGANIZERS:

Dalibor Froncek (University of Minnesota Duluth)
David Gunderson (University of Manitoba)
Karen Gunderson (University of Manitoba)
Donald Kreher (Michigan Technological University)

WEBSITE & REGISTRATION:

<http://server.math.umanitoba.ca/~kgunderson/workshops/MMMM/MMMM2016.html>

Participants must apply to attend. Accommodation and meals provided for those who are accepted and are giving a talk. Those submitting talks or applying for support must do so by 1 April 2016. There is no registration fee.
