

## Booking Accommodations for MMI and/or SMB

### People partially funded by MMI

If you have received an email confirming partial travel funding from MMI, **we will arrange your accommodations** at Lister Centre (UA dorms) for Friday, July 11th & Saturday, July 12th once you have completed the registration on the PIMS website.

**If you are staying on for the SMB, you will have to book the additional dates** through the 2025 SMB website and you can choose to continue your stay at Lister Centre or book accommodations in a different hotel. There are several options on the 2025 SMB website.

<https://2025.smb.org/local-accommodations>

### People NOT receiving partial travel funding from MMI

If you have NOT received an email confirmation regarding partial travel funding from MMI, **you will have to book (and pay for) your own accommodations for both events.**

Each participant should contact Lister Centre to book a room for the MMI BUT if they want to continue their stay at Lister Centre for the SMB, they can book the full stay through the SMB booking form and just extend their stay to include the MMI. For example, their arrival date may be July 11 and check-out July 18 which would encompass the dates of both events. That way, they would not have to switch rooms between the MMI and the SMB.

If they would rather switch hotels in between events, they would book a room at Lister Centre (eg, arriving July 11 and checking out July 13), then book a different hotel, via the 2025 SMB website, for the SMB dates (eg. arriving July 13 and check out July 18)

Please find the contact information for Lister Centre below, for the people **NOT** funded by MMI.

### Individual accommodation inquiries

#### Student and Guest Services

780-492-6056

Here are the accommodation options available on the SMB website - <https://2025.smb.org/local-accommodations> - but anyone attending the 2025 MMI Summit is encouraged to stay in the dorms at Lister Centre since it's right on Campus.

Please note that spaces are limited and these rooms are available on a first come, first served basis.
